Grants for Inspiration & Innovation

The program that started it all! This program awards grants to ECISD teachers for innovative classroom projects. Since our inception in May 2000, more than **\$2.8-million** has been awarded to teachers to bring inspiration and creativity into the classroom.

Teacher Assistance Program (T.A.P.)

The Teacher Assistance Program is intended to provide time-sensitive assistance to ECISD teachers on a monthly basis for items and/or projects that directly impact student learning.

Businesses are welcome to partner and support teachers through T.A.P.! Contact our office today for details.

Dolly Parton's Imagination Library

We have partnered with Chevron Permian and Dolly Parton's Imagination Library to bring the gift of reading to the children residing in Ector County from birth to age five for FREE! Books are mailed directly to the child's home each month.

Bookworms Literacy Program

Through the Bookworms Literacy Program, more than 7,000 students in grades PreK through 2nd Grade receive a new book each month that they get to take home to keep in an effort to promote at-home family reading.

Bookworm Vending Machines expand our literacy reach, providing regular access to new books to students in grades PreK - 12th Grade at 38 campuses across the district - FOR FREE!

HELP LEAD THE WAY!

We provide an opportunity for all Odessans to contribute to our quality of life and to help provide our students with innovative educational experiences that produce successful citizens and leaders for the future!
